

Thank you for your interest in the Women's Premier Soccer League (WPSL). You are about to become a member of one of the most innovative women's competitive soccer leagues.

Formed in 1998 with 6 teams from California, we have grown to over 110 teams located throughout the United States and British Columbia. We are an independent league, providing the best women's amateur soccer in North America. Our goal is to develop an exciting and competitive environment for women's soccer players. The WPSL is not affiliated with a men's league and 16% of the teams are owned by women.

The WPSL is an excellent training environment for players to advance themselves and continue to play at a higher level. We have a great variety of teams with current college players, college graduates, as well as foreign and professional players.

Current costs to join the WPSL are a one-time fee of \$2,500 (due upon entering), and an annual league fee of \$4,000 (that includes \$500 player registration for 25 players), with \$500 due by October 1st, \$500 due by December 1st, and the remaining \$3000 due by January 5th. There is an additional cost of \$250 per home game for referee fees. We do our best to be organized on a regional basis to help control costs.

We have a mandatory AGM to elect officials and adopt a schedule for all teams that is held each year in the winter. Our season runs from May 1st to the first weekend in August. The National League Championship Tournament is held the last weekend of July or the first weekend in August and rotates throughout the U.S. each year.

Our website www.wpsl.info has all the information about our league including: constitution and by-laws, minimum standards, and how to go about joining our league. Our league expects teams to conform to our minimum standards. Standards that we stress include: a good playing surface, water for players provided by the home team, ice and a trainer at all games, professional conduct and adherence to the league constitution and by-laws.

You have a chance to participate in an exciting, growing league with a foundation of committed and well-regarded teams.

Sean Jones
League Commissioner
